

Hello Longfellow Teacher,

Your student \_\_\_\_\_ is interested in becoming a team member on one of Escuela Longfellow's 2013/2014 Robotics Teams. In order to participate in this intense environment, each child must fill out an application with team agreement, obtain a completed teacher questionnaire, have an advanced grade in at least one core subject (writing, reading, or mathematics) confirmed by his or her teacher, and be willing to spend the necessary time after school at the meetings.

Below is the short teacher questionnaire. We would very much appreciate your evaluation of the applicant.

This is a list of characteristics that we have observed helps to make a successful robotics team. Please rank your student on a scale of 1 to 5, with 5 being the highest. It is not expected that all students will rank high on every characteristic.
